I (We) hereby apply for authorization to purchase and display a Philadelphia Historical Commission Plaque for the building or structure situate at \_\_\_\_\_.

I (We) understand that if this application is approved by the Philadelphia Historical Commission, that,

- 1) the plaque may be displayed only upon the building or structure cited in this application;
- 2) in the event of the loss or theft of the plaque, a new application must be submitted, and
- 3) the privilege of displaying the plaque may be revoked by the Philadelphia Historical Commission should the condition of the building or structure no longer meet the specifications for the aforementioned building or structure as approved by the Commission at the time of issuance.

As a part of this application, I (We) submit a **5"x7" color photograph** (no digital photographs) of each façade of the building or structure visible to the public. This photograph may be retained by the Philadelphia Historical Commission as a part of its records.
